How To Align Images and Text with Wishpond

wishpond.com

With Wishpond's landing page or popup tool you can align text and images in the same text entry area.

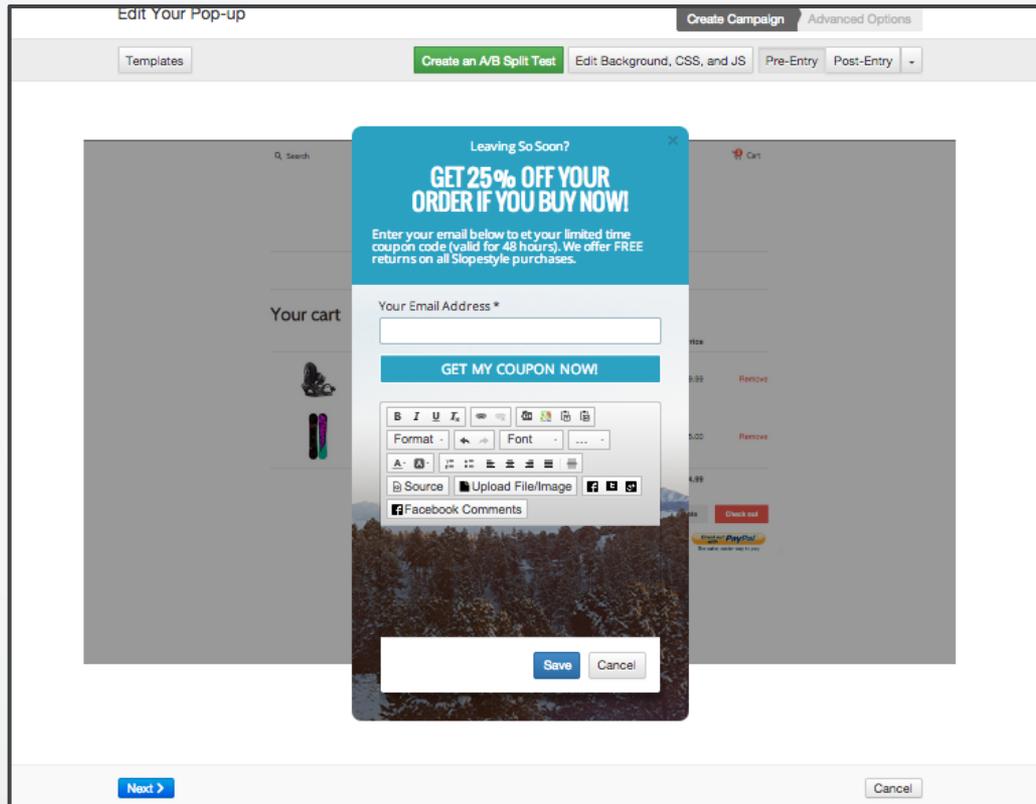

For this resource, we are going to add a testimonial to our popup in the box below the email form field.

Click on the text entry area (surrounded by the dotted line) to edit that section.

The screenshot displays the 'Edit Your Pop-up' interface. At the top, there are navigation tabs: 'Edit Your Pop-up', 'Create Campaign', and 'Advanced Options'. Below these are several buttons: 'Templates', 'Create an A/B Split Test', 'Edit Background, CSS, and JS', 'Pre-Entry', and 'Post-Entry'. The main content area shows a preview of a website with a pop-up overlay. The pop-up has a blue header with the text 'Leaving So Soon?' and 'GET 25% OFF YOUR ORDER IF YOU BUY NOW!'. Below the header is a text entry field for an email address, followed by a blue button that says 'GET MY COUPON NOW!'. A dotted line highlights the text entry field, and a mouse cursor is pointing at it. The background of the pop-up shows a scenic landscape with a lake and trees. At the bottom of the interface, there are 'Next >' and 'Cancel' buttons.

By clicking on the text entry area, you are presented with this screen and toolbar:

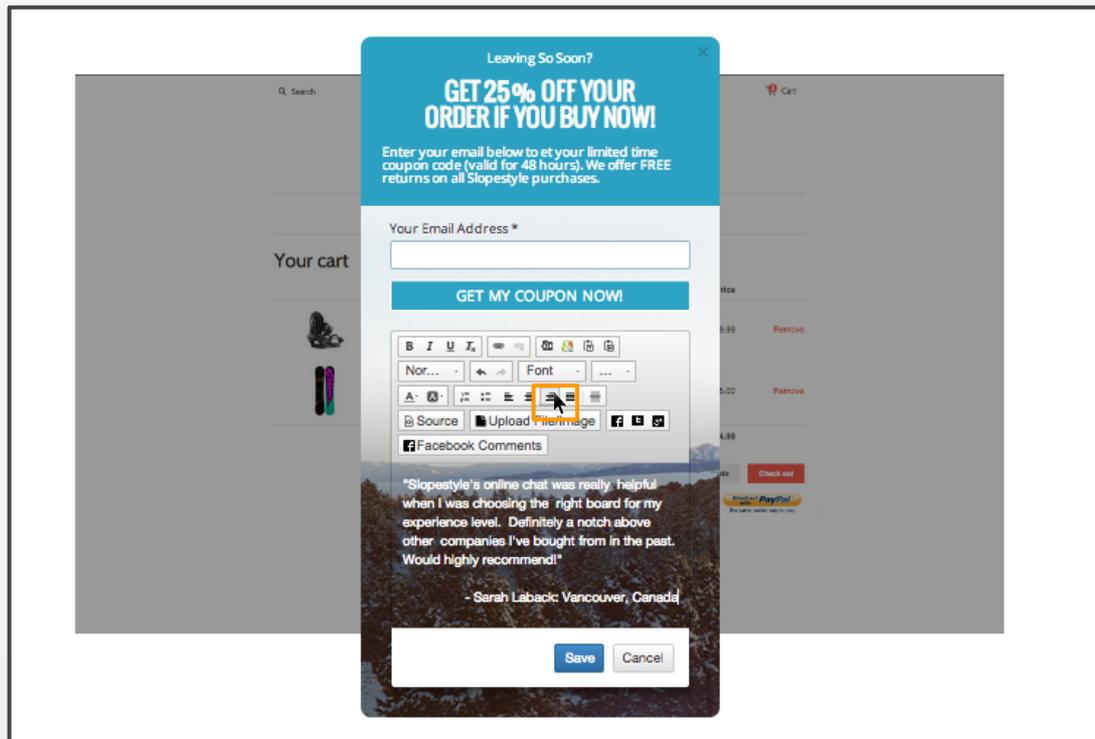

Paste your text into the text entry area.

Below this is a toolbar with 'Templates', 'Create an A/B Split Test', 'Edit Background, CSS, and JS', 'Pre-Entry', and 'Post-Entry'. The main content area shows a preview of a pop-up titled 'Leaving So Soon?' with a close button (X). The pop-up text reads: 'GET 25% OFF YOUR ORDER IF YOU BUY NOW!' followed by a paragraph: 'Enter your email below to get your limited time coupon code (valid for 48 hours). We offer FREE returns on all Slopestyle purchases.' Below the text is a form for 'Your Email Address *' with a 'GET MY COUPON NOW!' button. A rich text editor is visible, containing a testimonial: 'Slopestyle's online chat was really helpful when I was choosing the right board for my experience level. Definitely a notch above other companies I've bought from in the past. Would highly recommend!' attributed to '- Sarah Laback: Vancouver, Canada'. The editor includes standard text formatting tools (bold, italic, underline, strikethrough, link, unlink, list, indent, outdent, font color, background color) and options for 'Source', 'Upload File/Image', and 'Facebook Comments'. At the bottom of the editor are 'Save' and 'Cancel' buttons.

If you want to add the image to the left of the text, right align your testimonial text.

Click the right align button in the editing toolbar.

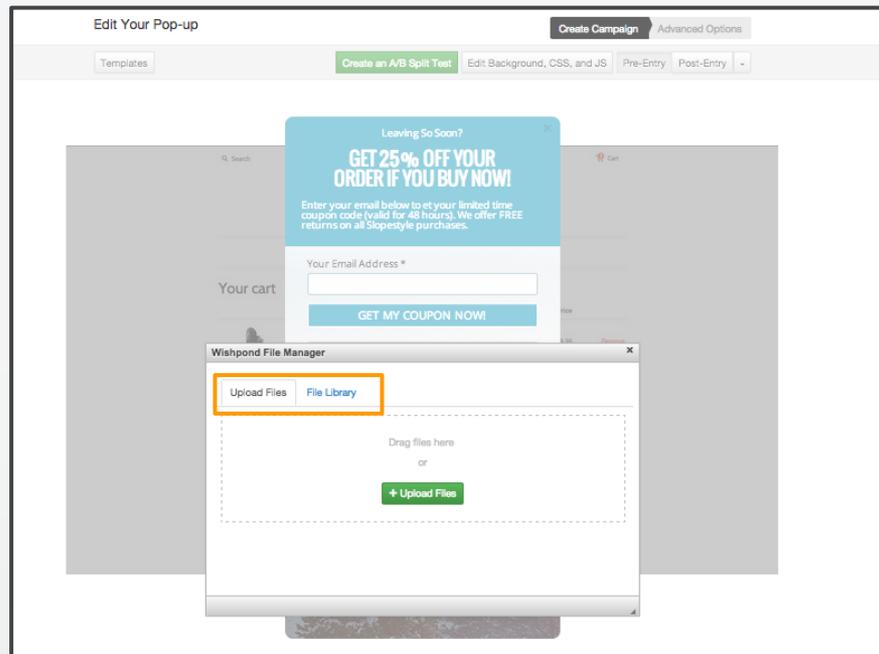

Once your text is aligned to the right, click the “Upload file/image” button in the toolbar.

Once clicking the button you will be redirected to the screen below.

Drag and drop, upload a file from your hard drive, or choose an image you have already uploaded to Wishpond in “File Library.”

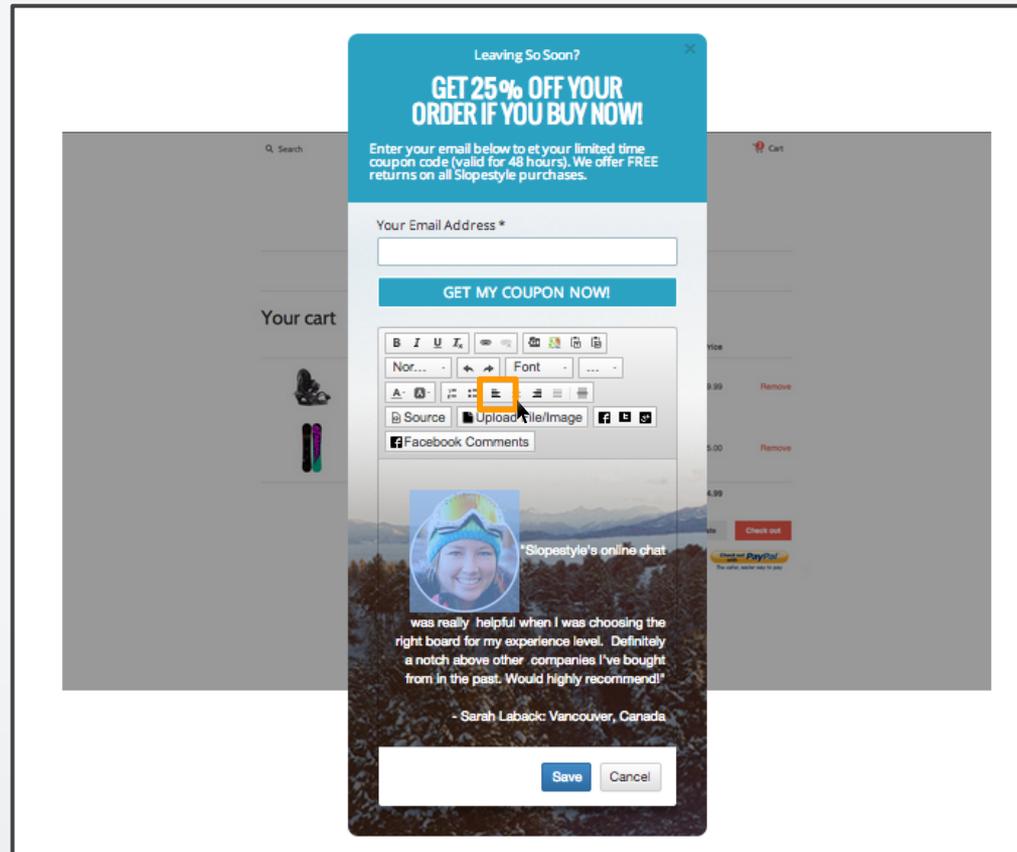

In this case we'll select an image previously uploaded to Wishpond image library.

1. Hit the “File Library” button.
2. Select “Insert Image.”
